February 7

Honorable Frank C. Carlucci
Deputy Director, CIA
Washington, D. C. 20505

Dear Mr. Carlucci:

The quarterly general membership meeting of the Keystone State Chapter, Association of Former Intelligence Officers, is scheduled for 1800 hours, 10 March, 1979, at the Penn Harris Motor Inn, Harrisburg, Pennsylvania.

The committee has asked me to invite you to attend and speak at the dinner session. Although our chapter is small in number, the membership is active in speaking to local groups and television appearances. We will also invite the Harrisburg Foreign Policy Association and the Keystone Capital Chapter of The Retired Officers Association. Television and radio news coverage is assured in view of the current Iranian and Mid-East problems.

Your contributions to the security of the United States are well known, and we hope that you will be able to accept, as we are all anxious to hear your solutions to current problems affecting the intelligence community and our defense posture.

Sincerely,

Emmett E. Welch, Col. USA (R)
